

Premium and Standard Dental Option Benefits

For CWA Local 1180 Retirees — Effective Jan. 1, 2022

Dental care is an important part of your overall health. We're happy to offer you high-quality, preferred dental care with CWA Local 1180.

As a member of EmblemHealth's Premium or Standard Option plans, you will:

- Have access to over 8,500 providers in New York and New Jersey, plus access to a national network for coast-to-coast coverage.
- Be covered for preventive services like cleanings, x-rays, and exams.
- Be covered for basic and major dental services. Basic services include fillings and root canals; major services include restorations and prosthetics.
- Be able to choose a network dentist or specialist for services covered under your plan without a referral.

Here are some important things to know about your benefits:

- Children are eligible up to age 26.
- Both plans have a \$2,000 annual maximum per covered family member. This is the most your dental plan will pay toward the cost of dental care during your plan year. You are responsible for paying costs above the annual maximum. The annual maximum and maximum rollover feature do not apply to orthodontic services.
- The Premium Plan has a \$2,000 lifetime orthodontic maximum per covered family member. This is the maximum dollar amount your dental plan will pay toward the cost of orthodontic dental care. Orthodontic benefits are available until the end of the month your covered child turns 19. Adult orthodontia is not covered. Orthodontia is not covered under the Standard Plan.
- Some services, like prescription drugs, certain surgeries, and dental implants, are not covered by these plans.
